## Someday

Vicci Martinez

You watch some clouds roll by they uncover the sun the smile upon your face now glows you look into my eyes and you see the future and it's with you by my side why do you leave (why do you leave) wait and see (just wait and see) I'll be the one (I'll be the one) that you will love it will happen someday someday you drown from the surface you make it so hard (so hard) to find out what's on your mind I watch you sleep at night and you looked so peaceful Are you dreaming of you and I why do you leave (why do you leave) wait and see (just wait and see) I'll be the one (I'll be the one) that you will love it will happen someday someday you'll love me someday you'll love me why do you leave (o yeah) wait and see I'll be the one why do you leave (why do you leave) wait and see (just wait and see) I'll be the one (I'll be the one) that you will love oh you will love will happen someday (o la la la) someday
