

# Sunshine

Vicci Martinez

Just for a moment last night she felt  
Like the weight of 1000 bad days  
And the tears rolled down  
Let them roll on down  
And sunshine take me on my way

And with the love of her friends on her left and right  
She could wear her heart on her sleeve  
She says love is the only way to bring sunshine  
tomorrow  
I know thats what she believes

Sing out our troubles be gone  
Sing our troubles be gone  
Sing out wont you take me on my way, yeah  
Sunshine take me on my way

Now do I hold it back, defend myself or fight for what  
i love  
What is all this for  
Why do we hurt those we love the most  
Sunshine will you take us through our world

Sing out our troubles be gone  
Sing our troubles be gone  
Sing out wont you take me on my way  
Sunshine take me on my way

Can you see through my eyes  
Can you see where I stand  
You see I'd do anything for your love  
To this world I'm an open hand  
Now sunshine, pull it through my hand  
Sunshine, pull it through my hand

And sing out our troubles be gone  
Sing our troubles be gone  
Sing out wont you take me on my way  
Sunshine take me on my way  
I said sunshine take me on my way

So if you want to sing you can sing  
I'll sing now let your troubles, let them all be gone  
If you want to sing you can sing  
I'll sing now let your troubles, let them all be gone  
And if you want to smile, let that smile stay for  
awhile  
Won't you take me on my way  
Yes, wont you take me on my way  
Sunshine  
Sunshine  
Sunshine  
Sing out yeah your troubles be gone  
Now sing out, sing out, let it be gone  
And let your smile stay for awhile, for a little little  
while, a little while longer  
And we can be on our way

To better better days  
Yeah, to better better days
