

Teenage Rampage

Vice Squad

All over the land the kids are finally startin to get the upper hand
They're out in the streets they turn on the heat
and soon they could be completely in command
Imagine the sensation
of teenage occupation

At thirteen they'll be learning
but at fourteen they'll be burnin
But there's something in the air
of which we all will be aware

But they don't care
no, no, no, no!

So come join the revolution
Get yourself a constitution
Come join the revolution now
And recognise your age it's a teenage rampage
Turn another page on the teenage rampage now
So recognise your age it's a teenage rampage
Turn another page on the teenage rampage
Now now now now now now now now . . .

They're getting it on
Ain't doing it wrong
And they're gonna do it
It won't be long
They gotta be heard
they get the word
that really belongs
And now they're coming on strong
Imagine the formation
Of teenage legislation
At thirteen they were fooling
But at sixteen they'll be rulin
And there's something in the air
of which we all will be aware

But they don't care
no, no, no, no!!

So come join the revolution
Get yourself a constitution
Come join the revolution now
And recognise your age it's a teenage rampage
Turn another page on the teenage rampage now
So recognise your age it's a teenage rampage
Turn another page on the teenage rampage now!

There's something in the air
of which we all will be aware
yeah, yeah, yeah, yeah, yeah!

So come join the revolution
Get yourself a constitution
