

# Alive Alive

Vickie Winans

Alive alive lord your spirit is alive  
Alive alive lord your spirit is alive  
Alive alive lord your spirit is alive  
Alive alive lord your spirit is alive

Let my soul look up and my heart shall sing  
I have forever more been made new  
For the lord doeth live in the praise we sing  
Exalt the king your word is true

For the lord is great  
Yes the lord he reigns  
Make a joyful noise all ye lands  
Let the earth rejoice  
Let the people shout  
He is the great, the great i am

[Vamp:]  
I'm living by your spirit  
I'm trusting in your word

Special  
With a mighty praise  
With a mighty roar  
With mighty shout  
I lift my voice (we're not saying glory, glory)

I'll lift you  
I'll praise you  
With power, i'll bless your name

Special alive alive [repeat]
