

Everything's Gonna Be Alright

Vickie Winans

Don't let the problems get you down
Don't let the situation make you frown
Don't let the hard times get the best of you
Hold your head up and walk on through

I know it's hard to see your way
Devil throwing darkness all in your way
Don't throw in the towel stay in the fight
Jesus will be there He's the way the truth and the light

Everything be alright, be alright alright
Everything be alright, be alright alright

Don't let the problems get you down
Don't let the situation make you frown
Don't let the hard times get the best of you
Hold your head up and walk on through
I know it's hard to see your way
Devil throwing darkness all in your way
Don't throw in the towel stay in the fight
Jesus will be there
He's the way the truth and the light

Everything be alright, be alright alright
Everything be alright, be alright alright
Everything be alright, be alright alright
Everything be alright, be alright alright

The trouble you face burdens pressing on you
All your fears He'll erase He told me to tell you
