

I Love You Lord

Vickie Winans

For waking me up this morning
For letting me see a brand new dawning
Though i made plans for this day
Death could have come during the night
And took me away
But for this i love you

I love you
Lord i love you
I love you with all my heart
And with all my soul
Lord i love you, lord i love you
With all my heart and with all my soul

It could have been me with no food to eat
It could have been me with no place to sleep
But it was you lord that showed me my sins
And then you came along and gave me so much joy
Deep down within, deep down within
