Special Day

Vickie Winans

The calender have name some special days But everyday with you I will celabrate Becuse yo bless me with your presence Everyday hey hey that why I lose myself With you as we crown each day in life as 2 That's why I love you (Even today) (You have mean more then this world) (Then a holiday to me) That's why I thank you for being so special to me And I need more of you yes I do

Woha woah oh now if you bring me pesents that is Fine but all I know I have you in mind Because you bless me everyday

So I luve you and so on not the rest I know
