

Psalms

Victoria Williams

Although the Lord be high above
He doth regard the lowly
And deep within the secret heart
The Lord shall surely know thee

Although I walk in trouble, Lord
I know Thou wilt revive me
You hold me in Thy very hands
And always walk beside me

I love you with mine own true heart
Before the world I'll praise Thee
Your love was there before the start
Thy mercy doth amaze me

If I ascend to heaven, Lord
I know Thou wilt be with me
And if I make my bed in hell
I know Thou won't desert me

How precious are thy thoughts to me
How great Thy loving kindness
How blind the man who cannot see
That God will ease his blindness
