Miss Demeanor fell on her knees Said put your law inside of me You know she tired to cop a plea Not quilty of insanity

'Cause I'm running wild I'm anything but mild That's part of my style 'Cause I'm running wild

I'll slander you with low blows Smear tactics and innuendos They're just a part of my misdeeds My charges grow with impunity

'Cause I'm running wild I'm anything but mild That's part of my style 'Cause I'm running wild

In a sense you can be the judge
I'm never one to hold a grudge
I'll make my legal motions, you will see
Guilty of lust in the first degree

'Cause I'm running wild I'm anything but mild That's part of my style 'Cause I'm running wild

Yes, I'm running wild
I'm anything but mild
Yes, that's part of my style
'Cause I'm running wild
