

# I'm a Cruiser

Village People

I'm in need of someone today

I'm a cruiser

I'm a cruiser

Stop a while and listen to me

You and I can sit down for tea

I'm a cruiser

Oh baby, I'm a cruiser

When i see someone whos looking so fine

you cant believe I react everytime

I scream, ooouuhh

You sexy thing

You are the finest thing i've seen today

I am so glad that you passed by my way

I'm a cruiser

Oh baby, I'm a cruiser

Yes, I'm taking you out to better believe I've got no doubts

I'm gonna get next to you if it's the last thing i do, I'm a cruiser!

choosing everything i see!

(I'm a cruiser)

ooh, you look so fine to me!

(I'm a cruiser)

Yeah yeah yeah, I'm a cruiser

When i see someone that i like

In a car or riding a bike

I'm a cruiser

I'm a cruiser

I think you are sexy and sweet

one hot date would be such a treat

I'm a cruiser

Oh baby, I'm a cruiser

Yes I'm in need of some band-aid today
