

# I Won't Take No for an Answer

Village People

When I saw you standing there  
You were waving down compare  
And I knew I had to get you  
How I didn't care  
When you caught my eye you lit a fire beneath  
And it's burring burning to the ground  
Flames surround me they won't let me be  
It's too hard for me to forget

I won't take no for an answer  
Until I get satisfied  
I won't take no for an answer  
Until I get satisfied  
I won't take no for an answer  
Until I get satisfied  
I won't take no for an answer  
No

When I looked into your face  
And my heart begins to race  
And I melt into the man  
I'm gone without a trace  
When you touch my hand  
It's melting through my soul  
I'm electrified like the night  
Warnings there and maybe  
You've been told  
I won't give up I'm going to fight

I won't take no for an answer  
Until I get satisfied  
I won't take no for an answer  
Until I get satisfied  
I won't take no for an answer  
Until I get satisfied  
You know that I need it  
I won't take no for an answer  
No

I'm going to get you by my side  
That where you wanna be  
Your gonna be so satisfied  
You'll never get away from me  
I'm gonna give you what you need  
Cause you've got what I want  
Satisfaction guaranteed  
Baby come on

I won't take no for an answer  
Until I get satisfied  
I won't take no for an answer  
Until I get satisfied  
I won't take no for an answer  
Until I get satisfied  
I won't take no for an answer  
No
