

Set Me Free

Vince Neil

Gagged, balled and chained
Feels just the same
Hands on the wall
Maybe you're just playin' games
Set me free

Mauled by a hound
Hangin' around
Is this for real
I don't know when I'll be found
Set me free

Ah, ah, ah set me free
Ah, ah, ah set me free from you

Taken by force
By you of course
Far from my bed
I know I'd rather be dead
Set me free

Ah, ah, ah set me free
Ah, ah, ah set me free from you

Fire in my brain
Burn me insane
Makin' your mark
Don't leave me here in the dark
Set me free

Ah, ah, ah set me free
Ah, ah, ah set me free from you
