We minding my business and leave me yours alone
We talking about me your job is on the camera motherfucker
Hey look at this motherfucker right here in the back. Look. Look tat this motherfucker right here in the back
Look. Look at him uppercut. Look at the uppercut! Look at the uppercut

Look lo lo lo look at the uppercut right there! Hey! Hey, do the uppercut again! Do the uppercut again

"Is it good or bad?"

t! Look at the uppercut!

Terrible. Like the worst thing in the world

Hey it's a job, you know what I mean? And especially in America havin g a job is a blessing and doing something you love is a blessing even if the people are miscreants

Yeah you's a fucking wuss. You know what I mean? You couldn't last a day in my shoes

A lot of these cats I wish they'd just forget the address to the gym You know everything is not for everybody. You don't see me going in m otherfucking Wall Street picking up a fucking briefcase trying to typ e do you? Cause that's not what the fuck I do

I beat the fuck out of people. You know what I mean?

"slow down and recollect"

Flow is tsunami, bulletproof Bugatti Arab Nazi spraying a semi out a Ferrari Crash Maybach Music, smash Aston Martins Cops turned rappers, y'all niggas is targets! Regardless, I'm the hardest to wannabe martyrs Chest game weak, niggas need to move more smarter Art of war is mastered, my thoughts be the realest Military intelligence, hood under surveillance Armed up like they got beef with the government Hood shit, ghetto apostle, live covenant Move like the niggas that's facing Capital Punishment Jedi, Militant Minds is who I run with Queens where the villains meet, killas with illa heat Lifers with blood in they eye, saying they feeling me Naturally will only be me, one tragedy Kuwait Majesty, stay tuned, witness the faculty

Come on lord don't make me load the pump

The Mossberg have you taking shots like the local drunk

My trigger finger itch like I ain't had a smoke in months

I land a left-rightleft before you throw a punch. (Left, right left!)

I was sent from God in case Jehovah fronts

I'm the explorer in the Torah I was chosen once

Put you in the corner you a lonely dunce

I been rhyming since Phyllis Hyman and golden fronts

And y'all don't wanna see the heat melt

The strap go click and I ain't talking bout a seat-belt

Y'all could never feel the pain that we felt

Pops died, watch my mother cry, think how she felt! You in México, fuck around with Federale I ain't hard to find, look for the severed bodies I come from a culture where we treasure Gotti Sono Italiano, guidare le Bugatti
