

# Murder Takes Time

Vinnie Paz

This, I just try to ignore  
Be famous in the neighborhood, you know?  
You know, I was happy, man 'cause I hate Donald  
I was looking at his mom crying  
But you know, I didn't care, you know?  
They get in the way? That's how it goes  
No, we couldn't do nothing about it  
Gang-banging is nothing man  
They're just waiting to die (to die)

Look  
I rather you show up unannounced  
Than to leave without saying goodbye  
If I'on spank you, someone else'll kill you  
Under my belt, still do  
They tell me to keep it safe, I tell 'em, "Will do"  
'Cause he who keeps it together  
Can't spill glue

I stuck it out  
One hail Mary and the candle  
Cuttin' milk 'cause they found stale dairy in the panel  
Her son got hit  
His mama carries her enamel  
God like, I'm sure he got buried in his sandals

Never slip  
First impression, I wouldn't second it, no  
You can't be thinking like the predicate (fuckin' idiot)  
Especially when there's blood on your knife  
You can't step in shit

It could be the love of my life  
I can't let the bitch (fuck outta here)  
Shit, huh, my throne ain't scuffed  
But soon as they get me, they gon' bring no-names up  
Long as the ice get it right, when the cocaine fluff  
I'm set, you know the rest  
Keep your gold chain tough, nigga

Yeah  
This a long ass knife  
You motherfuckers gonna be in for a long ass night  
And if you're gon' be around me, then you gon' act right  
You wanna see these motherfuckers brought that fight

I heard you was pussy but stay shouting  
My man was down with you, y'all stayed on the same housing (yeah)  
So all I had to do was speak to my man  
Found out you was a Junebug, keeping the bag  
Supreme Audimars, what the enemy think?  
Boulders look like a five-hour energy drink (shot gang)

On the hill job for the Okasaki  
These little dogs barking, I squash him like mocha sake  
I always give it all that I got  
I'm a perfectionist, so I could see the flaws where they not

This shit is on the other side of the court with the opp  
You gon' even share stupid? Oh, get off with a pop  
Do' mas, stupid (stupid)

You fucking dickhead  
Yeah (yeah)  
Yeah, Muck, me, and Pазzy  
Yeah (yeah)  
Salute to shooter and all that  
Yeah (yeah)  
They're just waiting to die (to die)
