

## Papi Wardrobe

Vinnie Paz

Yeah one-two, c'mon pop! My akhis really ripping and running, you know what I mean? Look... yeah...

The thunder clap, I gave 'em a wig, it's not an accident  
The throne of Baphomet is the opposite of a sacrament  
These shots is accurate, they the size of a baby aspirin  
I got a couple akhis that's movin' and Mabelin  
The blacked-out Maxima, carrying packs of packaging  
Provide a fraction, it gets bloody where the coagulate (datata)  
I'm the lord, I'm like the Patriarch of the Capulet  
The Jinn here, nothing is saving you, not an amulet  
Everybody g'wan get hit like I'm an anatomist  
I'm not a pacifist, I got lots of yaps in the cabinet  
The murder graduate and that tough talk was the catalyst (datata)  
Motherfuckers need opposition, I'm the antagonist  
The school for catching homis, the top of the class graduate  
The pain is passionate and the mazes are too elaborate  
The bodies piled up in a layer, they like a laminate  
Munafiqun be everywhere and they a contaminate!  
Yeah!

E'rybody better get low, I'm about to let the TEC blow  
We was moving from the get-go, motherfucker 'cause I said so!  
Said so... Get low, I'm about to let the TEC blow  
We was moving from the get-go, motherfucker 'cause I said so!  
Said so...

The .38 Special is on me, and this a testimony like India Arie  
The House of Moët Chandon is the Dom P, them words mean nothing  
you singing them off-key  
You was given dawah and you mocked it, you chose a path contrary to the Prophet  
I'm fightin' a holy war in the mental, Nebuchadnezzar destroyed the Temple  
Not slapping you: a thing I regret, this is Xinjiang pay five fingers of death  
It's green in my hand like I'm drinking the Becks, I be looking for a motherfucking reason to flex  
You know that Rasheed Wallace gonna be in the lane, it's like Candyman for anyone repeating my name  
You ain't never had a memorable line, I be draped like Eddie in Remember the Time, stupid!

E'rybody better get low, I'm about to let the TEC blow  
We was moving from the get-go, motherfucker 'cause I said so!  
Said so... Get low, I'm about to let the TEC blow  
We was moving from the get-go, motherfucker 'cause I said so!

Said so...
