Breakthrough in spiritual consciousness wasn't opulent
Life was only real if the common creator authored it
The war in Heaven all of the seven honored the arm of it
Parasitic astral deities inform the occupants
Them headshots is comin' for the top like it's a condiment
The law of one, raw, channeling, challenging continents
Physical death, mystical breath, it's found in the documents

It's the earth, it's the moon, it's the stars
It's the word, it's the drums, it's the bars
It's the war, it's the blood, it's the scars
I'm the conjurer, I'm the conjurer

It's the earth, it's the moon, it's the stars
It's the word, it's the drums, it's the bars
It's the war, it's the blood, it's the scars
I'm the conjurer, I'm the conjurer

Divide and conquer, grand strategy of the Reptilians
Witches and Warlocks congregate in the pavilion
Fundamental and coded bases for the civilians
I took the shotty and dug the bodies, it's in the millions
UFO's in the aboriginal Brazilians
Locusts plague genetic sequence of insectilians
The satanic rituals, circus is Picadilian
The voice of Revelation, atomic lighters from Lilian
You don't want a war, you'll be warrin' with the Sicilians
Kiss the ring, Vinnie the King like he Arthur Williams
The man from Planet Risk, he saw an ominous orb there
The double-cross system, the psychological warfare
Malevolent extraterrestrials is in my crosshair
Forty-six chromosomes, two forever gone there
Came from Mesopotamia, chemicals were restored there
The raw child of London, the Babylonian blood there

It's the earth, it's the moon, it's the stars
It's the word, it's the drums, it's the bars
It's the war, it's the blood, it's the scars
I'm the conjurer, I'm the conjurer

It's the earth, it's the moon, it's the stars
It's the word, it's the drums, it's the bars
It's the war, it's the blood, it's the scars
I'm the conjurer, I'm the conjurer
