

Every Breath You Take

Violent Femmes

Every breath you take
Every move you make
Every bond you break
Every step you take
I'll be watching you

Every single day
Every word you say
Every game you play
Every night you stay
I'll be watching you

Oh, can't you see
You belong to me
My poor heart aches
With every step you take

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
I'll be watching you

Every single day
Every word you say
Every game you play
Every night you stay
I'll be watching you

I'll be watching you
I'll be watching you
I'll be watching you

And since you've been gone, gone without a trace
When I dream at night I can only see, I only see your face
And so I look around, oh I can't replace
I feel so cold, cold, cold and I long your embrace

Oh, can't you see
You belong to me
My poor heart aches
Every step you take

Every breath you take
Every move you make
Every bond you break
Every step you take
I'll be watching you

I'll be watching you
I'll be watching you
I'll be watching you
I'll be watching you
