

Beyond the Gates

Viron

What is the cause of so many unknown things - What is the cause
?

Is there a force that will help us spread the wings - Is there
a force?

Beyond the gates of the unknown we stride
Larger horizons - we see the light
Make up your minds and the curtains will fall
Never look back - Go straight ahead!

What will appear beyond barriers of our minds - What will appear?

Are we still here when our bodies are rotten kinds - Are we still
here?

Beyond the gates of the unknown we stride
Larger horizons - we see the light
Make up your minds and the curtains will fall
Never look back - Go straight ahead!

When will we know 'bout the reasons for this game - When will we
know?

Who will us show that we own a goldy name - Who will us show?
