Visceral Bleeding

Entangled in hysteria and deceiving thoughts
Mind's lost control, seeking bliss
Urging for salvation through rage
Occupied with self reduction, deny the body control
Naked, not confined, steady gaze, endless seeking

Violent dreams of atrocity
images of bloodsoaked grounds
Perverted thoughts of twisted ways

Feeble ones that lack the meaning, their only purpose is to prance

Aggravated by the fact that mind and body can't work as one

Twisted visions, bringing back the rising awareness, mind is consciou

Overwhelmed by abhorrence, taking over, growing stronger
Shocks the mind, despise all living

Confront the fear to fill the void
Regain control of the body that had been disconnected

Repressed needs deep inside, I set my vice free
Darkness shapes me, possessed by unholy ones
Violent dreams of atrocity, images of bloodsoaked grounds
Perverted thoughts of twisted ways
Bring pain unto others, give onto them what they deserve
Feeble ones that lack the meaning,
their only purpose is to prance

Astounded by the amazing power of an instinct to slay
Obliterate, annihilate, exterminate, eliminate
Without control, extreme torment will be brought to this depraved rac
