You mesmerise slowly
Till I cant believe my eyes
Ecstasy controls me
What you give just serves me right

Without warning you're here Like magic you appear I taste the fear

I'm so afraid
But I still feed the flame

In the night
Come to me
You know I want your touch of evil
In the night
Please set me free
I can't resist a touch of evil

Aroused with desire You put me in a trance A vision of fire I never had a chance

A dark angel of sin Preying deep from within Come take me in

I'm so afraid
But I still feed the flame

In the night
Come to me
You know I want your touch of evil
In the night
Please set me free
I can't resist a touch of evil

Arousing me now with a sense of desire Possessing my soul till my body's on fire

A dark angel of sin Preying deep from within Come take me in

I'm so afraid
But I still feed the flame

You're possessing me
