

## For The Bleeders

Vision of Disorder

For the Bleeders  
Bleed.....for what I've done.  
And I'll never forgive myself for what I've done.  
And she'll know that I'll bleed.....bleed  
Know now the choice.  
And crawl upon the ground.  
A man is now vagrant.  
Girl, why did you bleed? Bleed.....  
Don't be shallow.....Repent, Repent  
Don't be shallow.....Repent, Repent  
Don't be shallow.....Repent, Repent  
Don't be shallow.....Repent, Repent
