

# Itchin' To Bleed

Vision of Disorder

I had a reason but you know  
That I will give it away.  
Another morning just another fucking  
Kick in the face.  
You all been trying just to rape me  
Of the things that I got.  
Want to test me, Don't test me.

[Chorus:]  
I'll bash the walls out nightly  
Cause i've been itchin' to bleed.  
Yeah Jesus oh blessed Jesus.  
When you been there for me.

[Verse Repeats]  
Want justice, here is justice.

[Chorus:]  
I'll bash the walls out nightly  
Cause i've been itchin' to bleed.  
Yeah Jesus oh blessed Jesus.  
When you been there for me.

Won't you give me a reason  
To keep living.  
In this sadness.

You've been taking over.  
Man you should have seen.  
You've been taking over.  
I believe...

[Chorus:]  
I'll bash the walls out nightly  
Cause i've been itchin' to bleed.  
Yeah Jesus oh blessed Jesus.  
When you been there for me.

I've been so down.  
Waste me.
