

I Don't Know

Vivian Green

I can't stop thinking 'bout my honey
And he won't quit thinking about me
Now we got is worth more than money
So much more than what people see

This be love could I be out of my mind
Or could I be caught up in the thought of spending time

I don't know
I don't know
I don't know
I don't know
I don't, I don't know
I don't know
I don't know
Could it be?
I I I I'm in in in in love

I don't know
I don't know
I don't know
I don't know
I don't, I don't know
I don't know
I don't know
I'm either caught up or I'm in love
I'm in love

Well I don't know if this is alright
But I miss you so much
When we're far apart
Text and talk keep me up night
But I can't have you go breaking my heart
Could this be love
Could I be outta my mind
Or could I be caught up in the thought of spending time

I don't know
I don't know
I don't know
I don't know
I don't, I don't know
I don't know
I don't know
Could it be?
I I I I'm in in in in love

Could it be that I'm in love

I don't know
I don't know
I don't know
I don't know
I don't, I don't know
I don't know
I don't know
I'm either caught up or I'm in love

Oh, I'm in love

I I I I'm in in in in love
(And I need you like)
Strawberries to chocolate
Money to pockets
Or brackets to lockett's
I need ya
Like air for my lungs
You could be the one
Not just casual fun
No I think I'm in love

I don't know
I don't know
I don't know
I don't know
I don't, I don't know
I don't know
I don't know
Could it be?
I I I I'm in in in in love

Could it be that I'm in love

I don't know
I don't know
I don't know
I don't know
I don't know
I don't know
Or could I be caught up
I'm in love
Ooh
I'm in love

Oh, yeah
