Jordan's Song

Vivian Green

If I had all the time in the world
All the words in the books
Every possession to lavish you in
You still wouldn't understand
What could ever be enough
How could you comprehend my love
The only way that you could ever see
Would be to step inside of me

La da da da da
La da da da da
La da da da da da da da
If you breathe the air I breathe
If you can think the thoughts I think
The only way for you to ever see would be to step inside of me

Wish I could protect you from everything that hurts
I wish you never had to cry a single tear
Wish you could cast every single care upon me
Wish I could change the world
You wouldn't have to see
And if If I had all the time in the world
All the words in the books
Every possession to lavish you in
You still wouldn't understand
What could ever be enough
How could you comprehend my love
The only way that you could ever see
Would be to step inside of me

La da da da da
La da da da da
La da da da da da da da
If you breathe the air I breathe
If you can think the thoughts I think
The only way for you to ever see would be to step inside of me

Every morning at sunrise I'm inspired
To be stronger than I was the day before
So I can watch you grow like a flower
I'll water you with love
Down on my knees everyday
Praying he'll make it alright

Every morning at sunrise I'm inspired
To be stronger than I was the day before
So I can watch you grow like a flower
I'll water you with love
Down on my knees everyday
Praying he'll make it alright

Every morning at sunrise I'm inspired
To be stronger than I was the day before
So I can watch you grow like a flower
I'll water you with love
Down on my knees everyday
Praying he'll make it alright

```
Praying he'll make it alright
Praying he'll make it alright
```
