

Midnight Drive

Viza

Open wide.
Not tonight.
But forever.

There's a sound as she leads me up & down as she pleases me.
I can tell it's not easy to compel to her teasing.

Open wide.
Not tonight.
But forever.

Drive, drive, drive, drive... Cause tonight we drive.
Drive, drive, drive, drive... Tonight we drive.

Open wide.
Not tonight.
But forever.

There's a cloud and it greets me to the sound of the sea breeze.
I can tell it's not easy to compel to her teasing.

Open wide.
Not tonight.
But forever.

Drive, drive, drive, drive... Tonight we drive.
Drive, drive, drive, drive... Tonight we drive.

Open wide.
Not tonight.
But forever.

Not tonight.
Open wide.
Sleepless forever.
Open your eyes.

Not tonight.
Open wide.
Sleepless forever.
Open your eyes.

Not tonight.
Not tonight.
Not tonight.
Open your eyes. x3

Open your eyes. x2

I can tell it's not easy to compel to her teasing.
