

# I Walk The Earth

Voice Of The Beehive

i walk the earth earth my darling, this is my home  
grab your pack my darling  
grab your pack and walk with me  
we will walk the road  
this road is all we need  
i could be flat broke  
or i could be a millionaire

so take my hand  
just take my hand  
and we will walk for miles  
i walk the earth my darling, this is my home  
i walk the earth my darling, this is my home

we may stay together  
but if we part i'm sure we'll meet again  
so grab your pack my darling  
and walk a road that never ends.

so take my hand  
just take my hand  
and we will walk for miles  
i walk the earth my darling, this is my home  
i walk the earth my darling, this is my home

so take my hand  
just take my hand  
and we will walk together  
i walk the earth my darling this is my home  
i walk the earth, this is my home  
i walk the earth, this is my home  
and i walk (this is my home)  
and i walk (this is my home)

i walk the earth my darling, this is my home  
i walk the earth my darling, this is my home
