Human Pinata

Voodoo Glow Skulls

Bruised and abused, but still easily amused Can't figure why he still comes around Nobody hates him, they just like to humiliate him Then he'll take the shirt off his back for you

Sticks and stones can't break his bones He'll come back swinging at you Sticks and stones can't break his bones Because he's the human pinata

Everyone's a character in his dreams
Nothing else can bring him down
He'll be the player on the other team
Just to make the game complete

He does things his way, not like anyone else A strong believer in himself The laugh's on him, and it doesn't matter He'll leave the attitude on the shelf
