

Insubordination

Voodoo Glow Skulls

what do you mean i have a bad attitude. don't get me wrong but
my nature is rude. i know when i'm getting taken advantage of.
people are people i know you make mistakes too. call my bluff,
use your power. everyone knows you're the man of the hour. writ
e me up, send me home early. in the end you're giving me what i
asked for. everyone knows i'm a rebel. not a troublemaker, can
't you tell. i just speak up for myself. at the same time i'm l
osing my dignity. ska...ska...ska...insubordination what did yo
u gain. well, not my respect or trust. go ahead make a fool of
yourself. go ahead write me up.
