

Change Myself

Votchi

When I wake up in the morning and I look up to the sky
I am looking for the reason that I live or that I die.

I'm asking for direction how to change the world I'm in,
How to change the tears to water in the world I'm living in.

Now I know there's no solution, there's no chance to change the
world,
So I've just found the answer, now I have to change myself.

Change myself, I have to change myself...
