

Demon's Eyes

Votchi

I'm in a dream. I'm in a dream.
I'm in a dream. I'm in a dream.

This night I spoke to a demon, I looked into his eyes,
The whole world was covered by the darkness
only his eyes were full of light.

Shining like a precious stone,
He hypnotized my mind.
Only his eyes told me that I'm not dreaming,
dreaming.
