

Mi get a compass and circle di town  
Bring a umbrella and mi search fi di brown  
Two shot a rum calm nerves fi di round  
Am looking for a girl with di curves in di pound  
Sore throat a go worst wid di sound  
No time fi niggers, there's girls to be found  
Action a dweet that's verbs with di noun  
But don't rush you wi come first with di crown

Know yo roots like dirt in di ground  
Every black man a king unuh fi search fi di crown  
Pretty black woman soon curve di renound  
Come wine pon di teacher, reverse bring hi down  
Slam inna yo neck, 30 fi bound  
Bet seh yo pitch da wedding deh  
Church in di gound  
Relationship sink, worst if you drown  
That mean mi no ready too early fi now

Girl mi love you like that, like that  
But yo man is here I need no like that  
Come no baby and don't look back  
Mi keep yo safer than 10 padlock  
Keep yo safer than 10 padlock  
Keep yo safer than 10 padlock  
Keep yo safer than 10 padlock  
Keep yo safer than 10 padlock

Mi get a T square  
Am drawing di line  
Girls in di front no bwoys behind  
Baby yo style is alarming di sign  
Know yo must get a trophy regarding di wine  
Tic toc, tic toc, according to time  
Do di 6:30 something to 9  
If yo man a seh yo body bruise something to mine  
Look pon da star yah until yo blind  
Mi buss like something fi crime  
Hunting fi find, waan something fi find  
Mind paw mi money caw funding fi find  
That a something weh mi need like dumpling design  
Tell di selector pull it up, fucking rewind  
Bubble fi di devil gyal nothing divine  
How you bright so? Mi loving di shine  
Love rubbing shi join, I'm coming shi wine
