

Mi Remember

Vybz Kartel

She tell me she love me
Me should've never believe her!
Me should never, never, put my trust in you
You don't love me
Me alone it don't look lovely
All me have right now with me is just so so memory!

Mi remember your perfume, girl,
Mi your lipstick, yeah!
Mi remember the first time that we met
Mi remember the vow she take 'til death
Mi remember mi tell you mi love you though
Mi remember you dissin' my baby
Mi remember the nights stands that we have,
Mi remember mi say me don't want you back!

It was many groupie baby mi never done
Me tell me bredrin that mi wan mi gyal
You put mi on somethin' that no legal
Think it was a dream but you never redial
Mi wan fi know
You wan mi dead but mi no go for dead like Steven Segall
Me roll above them eagle
Mi got a new girl sure 'nough lean on

You couldn't never hold mi down
Member you said mi that you the only one
Tried to mash up me life oh jeezum
Can't believe you really tried fi play with me
You couldn't never hold mi down
Member you said mi that you the only one
Tried to mash up me life oh jeezum
Can't believe you really tried fi play with me

Mi remember your perfume, girl,
Mi your lipstick, yeah!
Mi remember the first time that we met
Mi remember the vow she take til death
Mi remember mi tell you mi love you though
Mi remember you dissin' my baby
Mi remember the nights stands that we have,
Mi remember some me don't want you back!

One smitten, twice shy everything starts from a lickle white lie
My my never really seen me try cry
No I I prefer age in my pie pie
Take it and tear up the skin hi fi
My prefer a make a gill why die
You want me fi mash up in mi life nice try!
We are looking in your girl face, bright eye
And mi tell you say
You couldn't never hold mi down
Member you said mi that you the only one
Tried to mash up me life oh jeezum
Can't believe you really tried fi play with me
You couldn't never hold mi down
Member you said mi that you the only one

Tried to mash up me life oh jeezum
Can't believe you really tried fi play with me

Mi remember your perfume, girl,
Mi your lipstick, yeah!
Mi remember the first time that we met
Mi remember the vow she take til death
Mi remember mi tell you mi love you though
Mi remember you dissin' my baby
Mi remember the nights stands that we have,
Mi remember some me don't want you back!

It was many groupie baby mi never done
Me tell me bredrin that mi wan mi gyal
You put mi on somethin' that no legal
Think it was a dream but you never redial

You couldn't never hold mi down
Member you said mi that you the only one
Tried to mash up me life oh jeezum
Me a wan ya memory!

Mi remember your perfume, girl,
Mi your lipstick, yeah!
Mi remember the first time that we met
Mi remember the vow she take til death
Mi remember mi tell you mi love you though
Mi remember you dissin' my baby
Mi remember the nights stands that we have,
Mi remember some me don't want you back!
