

Forever Free

W.A.S.P.

Forever Free

G **Emi**
I ride all alone, I can't see
D **C**
The road to nowhere anymore.
G **Emi**
And shadowed whispers are calling me
D **C**
To forbidden forests by the shore.
D **C**
And there she fell deep in the night
D **C**
Ooooh, one breath away from Heaven's light
D **C**
And she said, don't cry for me, I'm leaving you.
G **Emi**
The wind cries her name in the breeze
D **C**
But I can't hold her anymore, no, no more.
G **Emi**
Some fallen angel had come to me
D **C**
And fell too heavy on my soul.
D **C**
And stole from me the love that I
D **C**
Ooooh, heard lords of time say, never die.
D **C**
And she said, don't cry for me because I'll be.
Chorus:
G **C**
Riding the wind forever free
G **C**
Riding the wind forever free
G **C**
High on the wind forever free
G **C** **Ami**
I ride the wind forever free, forever.
Bridge:
Emi **D**
Forever in my heart a fire, a fire burning,
Emi **D**
I wake up nights and hear her crying, crying my name.
G - C - D
