

# Orgasm Is The Enemy

Waco Jesus

Offensive and insulting, exceeding every boundary  
In search of higher ecstasy  
Living for the moment every day to the fullest anything can be  
achieved  
Rapid-fire instructions forced into positions demoralizing and  
degrading  
Vaginal contractions  
I regulate your oxygen for an out of body experience  
Normally, can take a fucking backseat  
Deviate, from the sexual mainstream  
The pain, intensifies the ecstasy  
Orgasm is the enemy  
Brutalized to, pure servitude, with humiliation and verbal abus  
e  
Slavish submission, passive obedience  
Absexuality, erotic energy  
Offensive and insulting, exceeding every boundary in search of  
higher ecstasy  
Living for the moment, every day to the fullest anything can be  
archived  
Rapid-fire instructions, forced into positions demoralizing and  
degrading  
Vaginal contractions  
I regulate your oxygen for an out of body experience.....
