

# Someone Had To Teach You

Wade Hayes

Yes I'll take you back again you knew I would  
For I go loving you that's understood  
But it's the first time you've come back  
With tears in your eyes  
Lately someone's taught you how to cry

Someone had to teach you I didn't have the heart  
To hurt you just like you've been hurtin' me  
Someone had to teach you things its time that you knew  
Now maybe you'll be satisfied with me

Someone took your heart and rubbed it in the dirt  
And you look just like a puppy when it's hurt  
But you've had this lesson coming fo so very long  
Our sins have a way of coming home
