Waka Flocka Flame

i sit back thank god for everything i got,  
and for

dreamed of being the biggest dope boy on the block,  
rocks in my socks, boxes in drawers full of weed,  
hear me up shawty i got everything you need  
you know my game you know my team, our flavors lime

headed down the wrong path, but all i know is rodger that,  
R&B Track you know we miss you, what's to live for, why you judging me  
i'ma be all i can be,  
i never been the same since when ,i left the streets  
at the carwash where a nigga tried to kill me,  
rage in my eyes now they think i'm crazy  
wild animal, they need to cage me  
all i need my partna's keep real with me

all i need,  
is a blunt and a cup, a couple of bad  
bitches keep it real with me  
all i need,  
a new foreign whip, soft leather, no rims just factory,  
all i need  
is god to have my back , accomplish all my goals before i die homie

they claim to be the greatest, i'm just trying to get some money

dressing bummy i can't sell pussy, weed, and gang bang all my life

sometimes i feel like there's no way, but i'm trying to find a way

for my partners run away, before they thought they  
throw their life away

trying to get some good strikes like a referee, while  
these many men was on me

fell in love with drugs you call my girlfriend ecstasy  
low get down away from me, while critics keep on  
stressing me

hip hop keep neglecting me, learn to upgrade my  
brain, before you bring me down  
trying to black ball me, like i'm bobby brown  
but they fell in love with waka flocka song, my words deep if you ain't tall  
enough you might drown,

all i need is a bad bitch, one blunt, one cup

all i need,  
is a blunt and a cup, a couple of bad  
bitches keep it real with me

all i need,  
a new foreign whip, soft leather, no rims just factory,  
all i need is god to have my back ,accomplish all my goals before i die homi
