Redman and Method Man had me smoking blunts  
DMX music had a nigga acting grimey

That's when mid and dro was in style  
That one 559 had the A going wild  
When Poon Daddy and Chris Lova ran the station  
Fast forward time, now we in Central Station  
In my trap house, listen to Gucci fucking bunking  
Bunking, bunking, I'm in my trap house bunking  
In the trap, hanging with them Hit Squad killers  
When we made the news, I bet the whole hood felt us
