Flowing on a Luger track, mob style, where the bat?  
If you fuck with La Chat, Waka Flocka Flame is back

While you bitches watching me, hoe, watch how La Chat get this money

But soon as I hit the door, these weak ass hoes be out here shaking  
But bitch, I'm always strapped, I'm gon' put holes off in your back

And for sure, I'm gonna tag, ain't no hoe, bitch, I'm La Chat  
Got the red beam and a mean team, come dressed up in all black
