My partna just die man this shit got me stressed, don't tell me where to go
The folks just hit me my house like I'm sellin dope
I sad this rap game stressed
Shawty I'm losin hope
Ooohh ohhh oohhh ohhh ohhh

Shawty I'm losin hope I bet they all dead... locked up in da feds They wanna see me down... like a groundhog Yes, I appear. Straight on scene Drunk high and I am... rollin on beans Bitches all on me this that life my dawgs They killed theses moss. So much pain on me Grove street took a loss So we gonna ball my dawgs I will never change, rivedales in my vains 100 mil in my a's Nigga we not that some Out ma you wanna be's Fuck you wanna be's Never knew my father So it ain't son in me

My partna just die man this shit got me stressed, don't tell me where to go
The folks just hit me my house like I'm sellin dope
I sad this rap game stressed
Shawty I'm losin hope

I need the baddest bitches
With the fattest ass
I need the fasted whip
With the biggest rims
I need the loudest kush
I need brightest ice
Theses nigga ain't half as nice
Bricksquad, you gun so ya life
I can't take no more lord tell me, will I make it to see thirty?
Can I take some partna's out the hood?
They say my downfall is I wanna take all my homies out the hood
But if you turn my back on damn
They might to go jail or end up dead

My partna just die man this shit got me stressed, don't tell me where to go
The folks just hit me my house like I'm sellin dope
