Waka Flocka Flame

I got my swagger right, call me swagger right  
I got my swagger right, call me swagger right

Nigga snitched on me for two grams of weed  
Pussy ass nigga, nowhere near a G  
You ain't from Riverdale or CB  
I heard shawty flexing, he ain't from MT  
Whip designed on it, he ain't Morrow on it  
He ain't Fab 5 and he ain't Brick Squad  
Got his momma saying: "I'm finna call twelve  
And if my son die, I bet you I'll go to jail"  
Chaz, chill out, Slim, what's up?  
Dae Dae, what it do? J-Mike, me and you  
Rolling off a pill, trying to get right  
Codeine with the Sprite, got the clique, good night  
Straight trees, nigga, blow trees, nigga  
O-Z's, nigga, a 550 nigga  
That's the cost, I'm a boss  
Triple beams, call me Flocka Ross

I got my swagger right, call me swagger right  
I got my swagger right, call me swagger right  
I got my swagger right, call me swagger right  
I got my swagger right, call me swagger right  
Keep grinding, keep grinding  
Keep grinding, keep grinding  
I'm shining, I'm shining  
I'm shining, necklace blinding

Do this shit my own way, fuck with all the DJs  
Make my own leeway, chase my own dreams, bae  
Teacher named Gucci, hard work, no play  
Signed a record deal, so I gotta chase a mill, bae  
Perform like a rock star, used to be a block star  
Now I'm dropping records, climbing up the hip-hop charts  
The shooter's favorite shooter, the dope man young, nigga  
Only two things: don't run and shoot your gun, nigga  
Hit Squad Taliban till the day I die  
Them boys taught me this, them boys taught me that  
Mix it up with Gucci, now I'm balling with the sack  
Me and Young Sac pushing party packs

I got my swagger right, call me swagger right  
I got my swagger right, call me swagger right  
I got my swagger right, call me swagger right  
I got my swagger right, call me swagger right  
Keep grinding, keep grinding  
Keep grinding, keep grinding  
I'm shining, I'm shining  
I'm shining, necklace blinding
