

## Homeless Poets

Wakey!Wakey!

Who will save us now?  
Who's gonna light the torch and lift us out  
And there's no charity  
Just homeless poets military police

Such a worthless thing  
Learning a language lost nobody can speak  
There's no symphony  
I'm trying to care but you don't care about me

And you know enough's enough  
And I'm thinking we've had enough  
Yeah, I'm thinking we've had enough  
And you know enough's enough  
And I'm thinking we've had enough  
I'm thinking we've had enough  
Yeah, I'm thinking we've had enough

Keep my head held high  
But keep my eyes wide and my mouth shut tight  
It's so hard to breathe  
But there's nobody left that's listening

And you know enough's enough  
And I'm thinking we've had enough  
Yeah, I'm thinking we've had enough  
And you know enough's enough  
And I'm thinking we've had enough  
Yeah, I'm thinking we've had enough  
And you know enough's enough  
And I'm thinking we've had enough  
Yeah, I'm thinking we've had enough  
And you know enough's enough  
And I'm thinking we've had enough  
Yeah, I'm thinking we've had enough  
Yeah, I'm thinking we've had enough
