

## Do It Again

Wall of Voodoo

It's automatic  
when I talk to old friends,  
the conversations  
turn to girls we knew  
when their hair  
was soft and long.  
And the beach  
was the place to go.

The sun-tanned bodies  
and the waves of sunshine  
California girls  
and the beautiful coastline...  
The warmed up weather,  
let's get together and  
do it again.

Now I've been thinking  
about all the places  
we surfed and danced,  
and all the faces  
we missed so  
let's get back together and  
do it again.

With a girl the lonely beach  
looks good at twilight  
...Makes your nighttimes warm and outta sight...
