

# Hot Summer Nights

Walter Egan

There was a time, not too far gone  
When I was changed by just a song  
On the radio, in my car  
The pounding electric guitar  
Then the time came to make our stand  
We started up a four-piece band  
And the heat felt like spotlights  
In the heart of a hot summer night, yeah  
Hot summer nights  
Hot summer nights  
Return with me to when times were best  
We were friends that could pass any test  
We shared our hopes, our dreams, and our goals  
And the fundamental roll  
As we sang in the hot, dark rooms  
Happy just to play our tunes  
We felt good when we did it right  
We felt good on a hot summer night, yeah  
Hot summer nights  
Hot summer nights, yeah  
So it lives, and it always will  
Those songs we sung are in us still  
Ringing out with all their might  
In the heart of a hot summer night, yeah  
Hot summer nights  
Hot summer nights, yeah
