

Yes I Guess I Am

Walter Egan

(Oh) Learning to love you
(Oh) Well, yes, I guess I am
(Oh) Won't you come over?
(Oh) I wanna love you again
(Oh) I'm learning to love you
(Oh) Well, yes, I guess I am
(Oh) Won't you come over?
(Oh)
Ever since that night
When I first held you
Every step you take
Just brings me closer
And I think I might
Just follow it through
Love's a piece of cake
Honey, when it's me and you
(Oh) I'm learning to love you
(Oh) Well, yes, I guess I am
(Oh) Won't you come over?
(Oh) I wanna love you again, yeah
Once I hurt so bad
Before I met you
And it's making me shy
From giving my heart
But the love you have
So strong and so true
Just makes it worth a try
Honey, when it's me and you
Learning to love you
(Oh) Well, yes, I guess I am
(Oh) Won't you come over?
(Oh) I wanna love you again
(Oh) I'm learning to love you
(Oh) Well, yes, I guess I am
(Oh) Won't you come over?
(Oh) I wanna love you again, yeah
Learning to love you
Yes, I guess I am
Learning to love you
Yes, I guess I am
I'm learning to love you
Yes, I guess I am
I'm learning to love you
Yes, I guess I am
Oh, learning to love you
Yes, I guess I am
Learning to love you
Yes, I guess I am
Learning to love you
