

Follow Me

Walter Hawkins

I have a friend indeed
One who supplies my ev'ry need

Follow me I'll show you the way
To turn your darkness into day
To turn your darkness into day

If there's some questions in your mind
If they're disturbing your peace of mind

Follow me I'll show you the way
To turn your darkness into day
To turn your darkness into day

Follow me follow me
Follow me follow me

If you want some need some pride
If you need some joy divine

Follow me follow me

I'll point you to Jesus
I'll point you to Jesus
I'll point you to Jesus
I'll point you to Jesus
I'll point you to Jesus

Follow me follow me
Follow me I'll show you how to turn

To turn your darkness into day
To turn your darkness into day
To turn your darkness into day
