

# Hang On In There

Walter Hawkins

Were in this world but not of it  
It's destiny we must accept it  
But we know where to go

It gets so hard to hang on in there  
When there is so much temptation  
But for sure we'll endure

My mind is made up  
My mind is made up

Even if it costs my life  
I can't turn back I must fight  
To the end I can win

Bridge (repeat):

Hang on in there with him  
Hang on in there with him  
Hang on in there with him  
Hang on in there with him  
(Key Change up a ½ step) My mind is made up  
My mind is made up to  
(Original Key) Hang on in there with him  
Hang on in there with him  
(Key Change) My mind is made up  
My mind is made up to
