

My Gratitude

Walter Hawkins

Chorus 1

My gratitude

For all You brought me through
I can't help but say yes
I want to give you my best
I'll go where You want me to go
And do what You want me to do
I'll always endeavor to show
A desire to do Your will

Verse 1

I cried for help You heard me
Out of shackled sin You set me free
I can't help but say yes
I want to give You my best

Verse 2

Because You've given so much to me
How can I give any less
You have redeemed my very soul
And I want to give You my best

Misc 1

(ENDING)

My best nothing less
Want to give you
Nothing less
You deserve the very best Lord
Want to give You nothing less
