Girls

Walter Meego

```
Everything I do
I do it for a girl
I do it for a girl
I do it for a girl

Everything I do
I do it for a girl
I do it for a girl
I do it for a girl

Girls, oh girls, they turn my mind around in circles
Oh girls, oh girls, they turn the world around in circles

Everything I do
I do it for a girl
I do it for a girl
I do it for a girl

Everything I do
I do it for a girl
I do it for a girl
I do it for a girl

Girls, oh girls, they turn my mind around in circles
Oh girls, oh girls, they turn the world around in circles

Girls, oh girls
Girls, oh girls
```
