

# In My Dreams

Walter Meego

In my dreams  
I can fly  
I can swim  
in the sky  
And move like I'm dancing  
on the air  
to the music  
everywhere  
Because you love me  
Yes, you love me

In my dreams  
there's a place  
I know somewhere  
far away  
I can feel it  
when you're with me  
I can taste it  
when you kiss me  
Because you love me  
Yes, you love me

In my dreams (4x)

Because you love me  
Yes, you love me

In my dreams (12x)
