Farther Along

Wanda Jackson

Tempted and tried we're oft made to wonder why it should be thu s all the day long

While there are others living about us never molested though in the wrong

Farther along we'll know all about it farther along we'll under stand why

Cheer up my brother live in the sunshine we'll understand it al l by and by

When death has come and taken our loved ones it leaves our home so lonely and drear

While they are others living about us living so wicked year aft er year

Farther along we'll know all about it...
